Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following Amendment of the San Joaquin Council of Governments (SJCOG) 2002/03-2004/05 Federal Transportation Improvement Program (FTIP):

No. Description

2 **State Highway Element**

- Locally Funded Project: Adds a project in San Joaquin County. The amendment programs a total of \$13,000,000 in local funds for the "I-205/Mountain House Interchange" project to construct a new interchange.

See enclosure.

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP Amendment No. 2 for inclusion into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years beyond the three-year cycle of the current FSTIP are not approved as part of this FTIP Amendment and are for information only.

The updated programming is for project types within Table 2 & 3 - Exempt Projects, of 40 CFR § 93.126 that are exempt from the conformity determination requirement, or have been found by the SJCOG to conform to applicable air quality regulations. This FTIP Amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. This project is included and submitted by SJCOG through the California Transportation Improvement Program System (CTIPS).

In accordance with existing law, public involvement procedures are a part of the project selection process. The SJCOG prepared this FTIP Amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,
